WORK

JUN 2021 PRESENT CallHub | Product Designer

Bangalore

- Leading end-to-end design process for a web+mobile app project.
- Overseeing and redesigning the existing workflows product.
- Guiding multiple teams to unblock themselves using design.
- Data analysis to align design projects with business goals.
- Successfully managed migration to Ant 5 design system.

MAR 2023 PRESENT Health icons | Icon Designer (contributor)

Remote

Creating material design style and regular health-related icons for this open-source project.

MAR 2021 JUN 2021 PESU Venture Labs | UX UI Design Intern

Bangalore

Created a SaaS platform for hiring and management, encompassing end-to-end design. Additionally, designed a website for a biotech company, showcasing their products.

JUN 2021 SEP 2021 MADIEE | UX UI Design Intern

Remote

Led the design of game mechanics, UX, and UI for two games, while also overseeing recruitment and management of interns. Participated and won the 1st prize in Toycathon 2021.

MAY 2020 JUL 2020 JustDial | UX UI Design Intern

Remote

Redesigned and implemented live updates to the admin dashboard and settings page for mobile and web app, including creating icons used throughout.

JUN 2019 JUL 2019 Titan Company Limited | Graphic Design Intern

Bangalore

Created and managed Tanishq's brand assets, website advertisements, and banners. Additionally, I redesigned the packaging for the Taneria brand.

EDUCATION

MAR 2023 PRESENT IxDF | User research methods and best practices

Online

I'm acquiring a understanding of user research principles and actively applying it to the projects at my current organization.

AUG 2017 MAY 2021 PES University | B.Des in Interaction Design

Bangalore

CGPA- 9.61 | 3 times MRD scholarship recipient
